

COQUI COQUI, the unique spa-amidst-Nature at Xtabay Estate, is located on the road to Boca Paila km 8.5, and is entirely devoted to your well-being. The integration of lush vegetation, pure air and turquoise water provides the perfect environment to awaken the senses, and to renew, restore and enhance the harmony between body, mind and soul.

The COQUI-COQUI Experience is "pure nature".. COQUI-COQUI therapists combine technique and intuitive touch, traditional methods with newer discoveries. Simply relax in the water in front of Tulum.

Massage

Coqui Coqui Massage

Our signature relaxation massage with essential aromatherapy coconut warm oil. Is a combination of different techniques which stimulate circulation, reduces muscle tension and eliminates stress. A natural Mayan Clay facial mask that extracts impurities and remineralizes skin will be applied as a grand final.

Duration: 60 or 90 minutes

Relaxing Massage

A very gentle and relaxing massage. It consist in light strokes combined with kneading movements.

Duration: 50 or 80 minutes

Swedish Massage

This traditional medium pressure massage, will help you relax your muscles, joints, and nervous system.

Duration: 50 or 80 minutes

Deep tissue Massage

Reduce tension and muscle discomfort as you gain motion and flexibility. Suggested for athletes, before and after workout, and for those who prefer a more concentrated pressure massage.

Duration: 50 or 80 minutes

Indian Head Massage

Treat your scalp and hair with this wonderful aromatherapy oil treatment for beautiful looking hair, It includes an upper neck rub to melt the muscles around your shoulders and neck. As a grand finale a facial reflexologic massage to relax completely.

Duration: 45 minutes

Reflexology

This massage focuses entirely on the feet. The points in each foot that correspond to all your body parts, organs, muscles and energy meridians are variously stimulated. Often quite intense, this technique relaxes the body deeply while restoring and balancing completely.

Duration: 50 minutes

Natural beauty and skincare

Mayan tradition uses body rituals to honour important moments in life and to remind us our place in the sacred unity of life. Take the time to luxuriate with one of these ultimately pampering rituals for beauty and health.

Aloe Vera Body Wrap and Traditional Hair Treatment:

This amazing treatment starts with one hour aromatherapy massage, After fresh Aloe Vera is applied all over the body, which happily absorbs all the nutrients from this restoring plant. Your therapist will "mandi" your hair with our own hair treatment recipe and massages the scalp while your body is cocooned in the Aloe Vera wrap. Return to the elements of nature.

Duration: 2 hours

Coconut Scrub and Papaya Body Mask:

Massage, Scrub and a Body Mask. This wonderful treatment starts with a muscle melting one hour of aromatherapy massage, After an invigorating shredded coconut scrub is followed by the application of a Papaya Body Mask. Papaya contains certain enzymes, biochemically known as papain, which soften and revitalize the skin. We then wrap you up like a cocoon to let the papain soften your skin and after you finish rinsing in the wonderful turquoise Caribbean sea. Truly COQUI-COQUI style.

Duration: 2 hours

Mayan Clay Treatment:

Healing with the glorified Earth element, Starts with a relaxing aromatherapy massage and it is followed by a mineral clay body mask. Mayan clay comes from the cenotes or sinkholes of Quintana Roo and has a cooling effect on the body, Afterwards, it is rinsed off in the turquoise water of the sea. This treatment cleanses and detoxifies the body by drawing out impurities.

Duration: 2 hours

Wild Honey Scrub:

Leaves your skin silky soft. A relaxing full body scrub leaves the skin hydrated and very soft. Soaking all the wonderful qualities of honey. Perfect for achieving the perfect tan. After a shower rinse a moisturizing body lotion is applied.

Duration: 60 minutes

Beauty Treatments

Tulum Organic Facial

A pampering facial using different natural organic products according your skin type, the natural ingredients are "made in tulum" as Mayan Clay, Aloe Vera and wild honey to leave your skin renewed before or after a beach session.

Duration: 30 or 50 minutes

Manicure Spa

This luxurious treatment makes hands more beautiful and younger-looking by incorporating cuticle minimizing, exfoliation and a hand and arm pressure point massage using our exclusive coconut oil. Hands are visibly softer and smoother. Nail painting included.

Duration: 50 minutes

Pedicure Spa

Indulge in this relaxing and pampering treatment that will renew your feet. First the feet are soaked, brushed and scrubed thoroughly, is followed by cutting, shaping and a wonderful foot massage. Nail painting Included.

Duration: 50 minutes

Bothanical Baths

Tropical Flowers

Exotic Bugambillias and Jamaica flowers infuse this bath with heady fragrance and pampering moisture. Sink in it's relaxing effects on the mind, enlightening appeal and pampering quality for the body.
